Secretary to the Government of Mysore,

General & REvenue Departments.

B A N G A L O R E.

Sir

With reference to your docket No. Fl. 1014 dated 24th. December02 forwarding petition, No. 1466 dated 15th Dec.02. addressed to HH The Maharaja, from Bagepalli Hanumantha Rao praying for the early payment of bonus of Rs. 5000/ due on the Policies of his deceased son Mr. B.VenkataRao Asst. Surgeon and requesting me to state fully how the matter stands at present, I am directed to state that a document alleged to have been signed by Mr. B.VenkataRao assigning his policies to one Sowcar Chicka Muniappa together with a Will purporting to have been made by the deceased in which the said Sowcar was appointed executor, was received in this office from the said Sowcar on 31st. January 1902,a day before the death of the Insured; and the Policies held by the said Mr. B.VenkataRao were presented and the payment of the Bonus demanded by the said Sowcar on 6th.February 1902.

In accordance with the Rules, all these papers were circulated among the President and Members of the Committee.for orders.,In consequence of a remark made in the above documents by the Amildar Magistrate of Bangalore to the effect that the Insured was unable to speak at the time of drawing up the Assignment but that he signified his consent by nodding

his

his head , the Committee decided at their meeting of 22nd. March 1902, that the said Executor be called upon to prove the will in a court of Law . The Sowcar thereupon produced on 2nd. August 1902, an Affidavit signed by the wife father and father-in-law of the deceased insured accepting the assignment of the Policies in favour of Chicka Muniappa . These papers were circulated among the President &the Members of the Committee, who at their meeting of 6th. Dec. 02, ordered the payment of the bonus to Sowcar Chicka Muniappa after obtaining from him an Indemnity Bond with a security which was accordingly furnished by him on the 16th. DEC. 1902. The Bangalore District Treasury was thereupon authorized, through the Comptroller, on the 18th. Dec.02, to pay the bonus to the Sowcar after adjusting any Government claims that might be standing aginst the deceased insured . As regards the second para of your docket ,I beg to state that the delay in settling Life Insurance Claims is due to the following causes:- If an insured does not, while alive, nominate a person to receive the bonus and register such nomination in the Books of this office , his heirs are required to produce ~~under the existing Rules~~ under the existing Rules a certificate of Heirship from a competent Court of Law— The obtaining and production of such certificate naturally takes sometime. As the payment of every claim for bonus has to be ordered by the Committee as a body, the papers connected with each case are circulated to all the Members and on receipt of their decision the necessary payment order is issued on the Govt. Teasuries concerned through the Comptroller subject to the latter ascertaining whether any Government claims are outstanding against the deceased Insured , such as ,House-building Advances, Departmental Claims &,and to his ordering the necessary deductions.

In regard to the delay due to the first cause there is no reme

dy.

13

remedy as long as the Rules require that the Bonus should be paid only to the legal Heirs declared as such by a competent Court of Law. These are wholesome rules intended as they are, to safeguard the interest of Government. The delay due to the second cause has already been noticed by the Committee, and the marginally noted resolution has been sent up to Government for sanction on 16th. January 1903.

Resolution—

(1) In view of the above large amount of Bonus pending payment and in order to ensure prompt payment of Bonuses, the Committee unanimously resolve, that, except in doubtful cases, the payment of Bonus may, in future, be ordered by the President & the Secretary."

As regards the time taken up in the Comptroller's Office in the settlement of Government claims no complaint of delay has yet been brought to the notice of the Committee. The average time at present taken in settling Insurance Claims is about 2½ months.

I have the honour to be,

Sir

Your most obedient servant,

Secretary to the Insurance Committee.
